Meadowlark Hills Golf Course COVID-19 Response Updates:

Following recommendations of public health officials and the CDC, the City of Kearney's Meadowlark Hills Golf Course is taking the following actions:

We strongly encourage that you follow these guidelines and be patient with us as our goal is to keep our guest and staff safe during this pandemic.

Clubhouse:

- The Golf Course will open back up tomorrow, March 25.
- Hours of operation – 8AM-Sundown.
- Tee times will be spaced in 18 minute intervals to limit the number of people in the clubhouse for social distancing. Please call to book a tee time or book online.
- Due to social distancing, all cart rentals will be rented to single riders.
- The clubhouse max occupancy will be 9 persons. Please enter through the east doors only.
- Clubhouse lounge will be closed.
- Pre-packaged snacks and bottled/canned beverages can be purchased through a sliding glass window on the west side of the clubhouse
- Please fill your water bottles at home. The water coolers on the course will not be available.

Golf course:

- Our maintenance crew will add an inner-pvc extension for easy ball retrieval and no need to pull the flag. Please do not pull the flag.
- All ball washers, water coolers, practice green flags, rakes and extra score cards/pencils have been removed from the course.
- Carts, range balls, and typical areas touched by the public will be routinely cleaned by staff.

This is a fluid situation, so further updates will be supplied as warranted.
