EVENTS / FORMATS

BASIC FORMATS:

2 Lady Scramble - Play begins with each golfer teeing off using their own ball. The team selects their favorite tee shot and both players play from that spot. The two-player team hits their second shot and the process repeats. Complete this format until the ball is holed.

4 Lady Scramble - Play begins with each golfer teeing off using their own ball. The team selects their favorite tee shot and all players play from that spot. The four-player team hits their second shot and the process repeats. Complete this format until the ball is holed.

FUN FORMATS:

6 Lady Shootout - Play begins with each golfer teeing off using their own ball. The team selects their favorite tee shot and all players play from that spot. The six-player team hits their second shot and the process repeats. Complete this format until the ball is holed. Staff will choose 6 holes to use for scoring and the other three will be tossed out. ***Winning team per division will receive a prize.***

6-Lady Vegas Scramble -The card you draw determines the club to use. Each team will have a 1/4 deck of cards (one suit). Before each team hits a shot draw a card. The card that you select determines the club you will have to use for that shot. Repeat this for every shot on every hole. Once you have used a card you can't use it again until the next hole. Teams may sub a wood for an Iron if you do not have Irons. ***Winning team per division will receive a prize.***

6 Lady Scramble (Beat the Pro) - Play begins with each golfer teeing off using their own ball. The team selects their favorite tee shot and all players play from that spot. The six-player team hits their second shot and the process repeats. Complete this format until the ball is holed. Teams that beat the pro's score will win a prize. Good Luck!

4 Lady Scramble (Member Guest) - Ladies will sign up to play in our annual member/guest 4 Lady scramble. Teams will be placed either on the front nine or back nine.
