2024 LADIES LEAGUE DIVISIONS, SCHEDULES AND FORMATS

EVENTS / FORMATS

BASIC FORMAT:

2 Lady Scramble - Play begins with each golfer teeing off using their own ball. The team selects their favorite tee shot and both players play from that spot. The two-player team hits their second shot and the process repeats. Complete this format until the ball is holed.

Note - Some pairings may have 6 players in them due to no shows and B division Schelule.

FUN FORMATS:

4-Lady Vegas Scramble - The card you draw determines the club to use. Each team will have a 1/4 deck of cards (one suit). Before each team hits a shot draw a card. The card that you select determines the club you will have to use for that shot. Repeat this for every shot on every hole. Once you have used a card you can't use it again until the next hole. Teams may sub a wood for an Iron if you do not have Irons. **Winning team per division will receive a prize.**

4 Lady Shootout - Play begins with each golfer teeing off using their own ball. The team selects their favorite tee shot and all players play from that spot. The 4-player team hits their second shot and the process repeats. Complete this format until the ball is holed. Staff will choose 6 holes to use for scoring and the other three will be tossed out. **Winning team per division will receive a prize.**

4 Lady Scramble (Beat the Pro) - Play begins with each golfer teeing off using their own ball. The team selects their favorite tee shot and all players play from that spot. The 4-player team hits their second shot and the process repeats. Complete this format until the ball is holed. Teams that beat the pro's score will win a prize. Good Luck!

4 Lady Scramble (Member Guest) - Ladies will sign up to play in our annual member/guest 4 Lady scramble. Teams will be placed either on the front nine or back nine. Included in the event is a mega putt, flag prizes and dinner.

THIS IS A FUN EVENT FOR ALL WHO SIGN UP.
